

Go green, and get green. We will give five dollars to every member who switches to e-statements through December 31, 2011. And you'll be entered for a chance to win a grand prize of a \$500 Gas card!\*

Why? We think it is a great way to reward you for making the switch from paper statements to e-statements and in turn the process help keep our planet green. And, besides being greener, e-statements are faster and more secure than a paper copy in the mail. Best of all, the service is free! Please note e-statements are housed on a secure server that can be accessed only by you! Please recycle this insert.
